

BAC Meeting minutes – 9/20/13

A teleconference meeting was held on 9/20/13 at 6 pm to discuss upcoming gala and payments due for BAC construction. Members present were Shah Haleem, Khaled Khan, Nahida Naser, Sheikh Azad, Ashiqul Talukder, Dr. Maruf Rahman, and Syed Dinar.

There was discussion about the payment due amount on 9/23/13 for the insulation. BAC needs about \$13,000 (\$10,227 on COD for insulation and erection). We have about \$8,100 in the bank and we need close to \$5,000 by Monday morning to pay for the delivery.

There was discussion about BAH and BAC and other committee members paying for one ticket and get one free for the spouse or someone else. A motion was made by Shah Haleem and seconded by Khaled Khan that we (BAH Board members and BAC Executive and other Committee members) will pay \$200 for the Gala Ticket and will get one ticket free for our spouse or one other member.

Based on that agreement, if all BAH board members and BAC executive committee members pay for our tickets, we should be able to collect close to \$2,600 by tomorrow. Please come forward and buy your ticket so that we will have half of the funds needed to be raised by Monday.

For the other half of \$5,000, it was requested that all should make their calls to the people that were mentioned last month about raising funds for the pledges made. Mr. Haleem asked everyone to make sincere efforts to collect the money this weekend. We CANNOT let the contractors leave on Monday without the delivery!

Meeting was adjourned at 6.55 pm.
